

Customer Experience Co-Creation

One-Day Workshop

The fully interactive workshop shows how to innovate by taking a customer-centric strategy. It demonstrates how to deliver the desired values through experience to a particular target segment.

The workshop will walk you through the process of developing ideas to producing high-impact experiences that drive results. It creates an internal strategy and approach to assist your employees in becoming empowered, motivated, and aware of what needs to be done differently, as well as having the skills to make things happen.

OUTPUTS:

- Begin CX by aligning corporate mindsets and innovating CX;
- Determine the values that motivate the emotional impacts of customers. Identify pain points and chances to improve customer experience;
- Use tools and theories to find key targets, co-create, and execute novel experiences in clients' current situations;
- An overview of how to build up a strategy and maximize impact through broadcasting;
- Key concepts and tools demonstrated: Experience Archetypes® / CJM / Personas / Pain point & MOT / Customer Needs Matrix / Service Blueprint / Evaluation Matrix.
